Compliance with non-proliferation, arms limitation and disarmament agreements and commitments

The General Assembly,

Recalling its resolution 66/49 of 2 December 2011 and other relevant resolutions on the question,

Recognizing the abiding concern of all Member States for ensuring respect for the rights and obligations arising from treaties to which they are parties and from other sources of international law,

Convinced that observance by Member States of the Charter of the United Nations and compliance with non-proliferation, arms limitation and disarmament agreements to which they are parties and with other agreed obligations are essential for regional and global peace, security and stability,

Stressing that failure by States parties to comply with such agreements and with other agreed obligations not only adversely affects the security of States parties but also can create security risks for other States relying on the constraints and commitments stipulated in those agreements,

Please recycle

Stressing also that the viability and effectiveness of non-proliferation, arms limitation and disarmament agreements and of other agreed obligations require that those agreements be fully complied with and enforced,

Concerned by non-compliance by some States with their respective obligations,

Noting that verification and compliance, and enforcement in a manner consistent with the Charter, are integrally related,

Recognizing the importance of and support for effective national, regional and international capacities for such verification, compliance and enforcement,

Recognizing also that full compliance by States with all their respective non-proliferation, arms limitation and disarmament agreements and with other agreed obligations they have undertaken contributes to efforts to prevent the development and proliferation, contrary to international obligations, of weapons of mass destruction, related technologies and means of delivery, as well as to efforts to deny non-State actors access to such capabilities,

1. *Underscores* the contribution that compliance with non-proliferation, arms limitation and disarmament agreements and with other agreed obligations makes to enhancing confidence and to strengthening international security and stability;

2. *Urges* all States to implement and to comply fully with their respective obligations;

3. *Welcomes* efforts by all States to pursue additional areas of cooperation, as appropriate, that can increase confidence in compliance with existing non-proliferation, arms limitation and disarmament agreements and commitments and reduce the possibility of misinterpretation and misunderstanding;

4. *Calls upon* all Member States to encourage and, for those States in a position to do so, to appropriately assist States which request assistance to increase their capacity to implement fully their obligations;

5. *Calls upon* Member States to support efforts aimed at the resolution of compliance questions by means consistent with such agreements and with international law;

6. *Welcomes* the role that the United Nations has played and continues to play in maintaining the integrity of certain arms limitation and disarmament and non-proliferation agreements and in addressing threats to international peace and security;

7. *Calls upon* all concerned States to take concerted action, in a manner consistent with relevant international law, to encourage, through bilateral and multilateral means, the compliance by all States with their respective non-proliferation, arms limitation and disarmament agreements and with other agreed obligations, and to hold those not in compliance with such agreements accountable for their non-compliance in a manner consistent with the Charter of the United Nations;

8. *Urges* those States not currently in compliance with their respective obligations and commitments to make the strategic decision to come back into compliance;

9. *Encourages* efforts by all States, the United Nations and other international organizations, pursuant to their respective mandates, to take action, consistent with the Charter, to prevent serious damage to international security and stability arising from non-compliance by States with their existing non-proliferation, arms limitation and disarmament obligations;

10. *Decides* to include in the provisional agenda of its seventy-second session, under the item entitled "General and complete disarmament", the sub-item entitled "Compliance with non-proliferation, arms limitation and disarmament agreements and commitments".
